Please refer to it if you have questions before you vote.

PC Dems gather for Tammy at HQs

An enthusiastic crowd greeted Josh Kaul at the Stevens Point Brewery recently.

Josh Kaul- “I want my family—and all of our families—to live in a Wisconsin that’s safer and stronger than the one we’re on track for right now”.

Josh is a Wisconsin native with a young family who values the Wisconsin he grew up in and wants his young sons to grow up with the same opportunities and experiences he had.

The most common way people give up their power is thinking they don't have any.

Wisconsin Republicans looked away while their big corporate donors polluted our wells, lakes and rivers.

A request for 2019 Executive Board Candidates

The Portage County Democratic Party is looking for interested members willing to run for positions on our Executive Board. It does involve attending the Executive Board meetings held on the first Tuesday of every month and helping out at events throughout the year. Serving on the Exec Board would give you an excellent background in the operation of our county party and a say in the direction the party takes in the coming year.

If interested, please contact co-chair Jan Way at janmway@gmail.com or Gary Hawley at 715-321-0111 before our Nov 13th general meeting so that your name can appear on our candidate slate. You may also nominate yourself at the meeting that night. However, no names can be added to the slate after that meeting. Voting will occur at our Dec 11th general meeting.

Holiday Festivities at HQs

Join fellow Democrats and many of our elected officials for an evening of food, spirited conversations and some fun too. Our meeting agenda is kept short so we can enjoy each other's company and celebrate the season. As always, if you care to share a finger food, we would welcome your addition. The gathering begins at 6:30. We would love to see you there.

This past Saturday evening, PBS Newshour Weekend Edition featured a story on Emerge Wisconsin. Zak Johnson from Wisconsin Public Radio was the narrator of the piece. The broadcast featured several women from the recent Emerge Wisconsin classes who were running for both state and local offices. The feature interviewed the candidates who explained why they were running for office, the importance of their Emerge training and the value of the support of their fellow classmates. More broadly, the feature talked about the increased interest and active participation of women in the election process since the 2016 election. It was an excellent report.
